

ANNUAL CONGREGATIONAL MEETING
AGENDA
Sunday, February 26, 2017
Immediately Following the 10:30 Service

- I. Call to Order- Jim Ingraham called the meeting to order at 11:44
Jim Ingraham began the meeting by noting that our Church Constitution allows for everyone to speak on the topics presented at this Annual Report meeting. He noted that last year there were several challenges for Christ Lutheran ranging from the loss of the church assistant, moisture in the basement, to heating and air conditioning and ice machine repair. There were many successes as well. These included the Appalachian trip, the book of glad calendar , youth meetings, the organization and productivity of the quilters group, the hosting of two Caritas events , the campaign to provide prayer books for members of the armed forces, work with Casa de Dias , and the Jan. 22nd Lakeside hymn fest initiated by Linda Keener.
Jim noted that all of our ministries are important and there is something for everyone to actively show God's love. The retreat was a success and showed ways to expand our ministries throughout the community. Surveys will be done to find out more information about our church membership and help with long range planning charting the Church's path toward the future.

Jim Ingraham then asked that:

RESOLVED by the Congregation to accept the 2016 Annual Report presented at this meeting.

A motion was made by Trenton Hizer to accept the 2016 Annual Report. The motion was seconded and passed unanimously.

Jim Schnellenberger presented the work done on the Vision and Long Term Planning and stated the purpose. Jim Schnellenger noted that the planning is necessary to look ahead so everyone knows where we are going and provide an opportunity to reflect on progress each year and to provide an opportunity for the congregation to approve the plan. A comment was made congratulating the council for their hard work.

In addition, a suggestion was made to make the update of the progress of the long term plan available to the congregation further than the posted minutes and to add “ and congregation to the resolution” the amendment was added, and Judy Garnet made the motion, which was seconded to approve the Continuing Resolution (CR4.07 A) The motion carried unanimously.

stewardship, and finance, with a willingness to help being the only requirement. Please give something for lent by using the special offering envelopes. These special offerings are designated for special purposes. This Lenten offering this year is for the music program.
