

Dear People of Christ Lutheran & any others desiring to join us,

What is Lutheran ?

We will be gathering after worship during the Sundays in May (5/4,11,18 & 25) and we will be done by noon.

You are very much encouraged to bring Questions and your Bible.

We will cover:

- How to interpret the Bible & the *Living Word of God*
- Biblical geography, structure, time-line, languages, genres, contexts, and translations and paraphrases
- Lutheran theology: confession and forgiveness, Inspired Word, the Cross, stewardship, discipleship, & Grace
- Worship: music, structure, lectionary (scripture schedule), styles, intention
- Church community, history, structure, ministries, mission
- Martin Luther and Lutheran and church history and traditions
- In the process, we will briefly contrast with other Christian understandings, religions, cults, and practices
- And how this relates to each of us, and all of us

That should keep us busy!

Please plan to be here and I invite you to write down questions.

And...yes, you are quite welcome to tell or write to me your topics of interest ahead of time

Shalom,
Pr. Scott
